Dear Mr Loudon,

### **Approval Tests : NewElec KD5 and KE5 LV Motor Protection Relays**

The above devices have been tested according to ESKOM standards and have passed all the required tests.

The devices are suitable for use within ESKOM Generation and have been placed on our list of Approved Relays. (GGS0852)

Should there be any queries, please do not hesitate to contact us.

Yours sincerely,

P. Shott  
Senior Engineer  
Relay Systems Section  
Protection Services  
PTM (A Division of ESKOM Enterprises)
